This is the transcript of the *Sonic Prime* episode, "Barking Up the Wrong Tree".

[Scene: Boscage Maze]

Thorn Rose: [To Sonic] You're just another Scavenger, like the rest of them...!

[She battle cries as the two clash. Sonic appears to be attacked by the hammer and faints. The screen fades to white with Sonic appearing as a black silhouette which fades into the screen.]

Sonic: Can I open my eyes now?

[Scene Change: Green Hill]

Amy: No, Sonic, not yet.

[The camera cuts to virtual view of Sonic closing his eyes, peeping by moving his fingers slightly.]

Sonic: Amy, you better not be tricking me into the water again.

Amy: No trick, Sonic. Trust me. You're gonna love it. Okay, open them! [Sonic opens his eyes.] Ta-da!

Sonic: You got me... the Palm Tree? So it *is* a trick.

Amy: No, Sonic, it's not a trick.

Sonic: But I already *have* a palm tree. That one. And that one. And those over there.

Amy: The gift isn't just the tree. It's all the *memories* we've made *around* that tree.

Tails: Like that time when you bet me I couldn't fly up to the top by the time you ran home and back. You still owe me, by the way. [Chuckles]

Knuckles: [Punches the palm tree and catches the coconut] And the time we worked together to make Amy that coconut cream pie.

Rouge: Or when I saw you buy a coconut cream pie and tell Amy you made it. [Swoops and steals the coconut off of Knuckles' hands. Sonic chuckles as Amy glares at him.]

Big: Or that time I laughed so hard, chili shot out my nose. [Laughs] I still can't smell. [Froggy croaks]

Amy: Yeah, really good times. Right, Sonic?

Sonic: [Steps on the blanket] Come on, guys, don't you think you're all being a little too... I don't know... [lays on the blanket] sentimental? Look, I get it. Tree. Friendship.

Memories. [Sees something ahead and starts craving] Chili dogs!

[Amy sees Sonic chomping and slurping at some Chili Dogs and is a little disgusted.]

Amy: I guess you don't get it, do you, Sonic?

[The opening theme plays]

[Scene Change: Boscage Maze]

[Sonic screams while he is forced back by an attack and lands and skims along the ground Thorn Rose attempts to hit Sonic with her hammer - powered by the green shard, but Sonic alerts and leaps out of the way to dodge it, letting it hit the ground. The shard's effect causes roots to rise from the ground and grow quickly into a large tree, to Thorn Rose's delight. She looks proudly at her upgraded hammer.]

Thorn Rose: Yes! The power to regenerate the jungle in a single strike. Hi-yahh!

[She slams the ground next to Sonic with the hammer, growing a chain of trees in ascending order of size. The fourth tree hits Sonic and blows him back. She looks at her hammer again and spins it on its shaft.]

Thorn Rose: Oh! I could get used to this!

[She slams the ground again, causing another tree to grow and block the cave's exit up towards the sky.]

Thorn Rose: Finally, I can shut them out. All of them. They'll never harm the jungle again.

Sonic: Uh, what was that now?

Thorn Rose: [Running with her hammer] Let's see what this hammer can do! [Slams the ground multiple times, growing multiple trees. She then has a go at Sonic, whom misses. Sonic is seen laying on the ground in disbelief]

Sonic: Not good.

[Thorn Rose stares down at Sonic, walking closer to him with an oversized Flicky behind her. Thorn Rose slams the ground again, delivering a chain of trees to Sonic, blowing him back again.]

Sonic: Thorn, wait! How many times do I have to tell you? I'm not your enemy! Come on, Thorn, you gotta trust me! Hand over the pretty crystal thingy. Please?

[She laughs and jumps onto Birdie.]

Thorn Rose: You're a fool if you think I'd give you the heart of the jungle when I'm so close. [Her hammer gets bigger thanks to the power of the Green Shard]

Sonic: Whoa, whoa, whoa! So close to what? Where are you going?

Thorn Rose: To do what I must to protect the Green forever.

[She rides off, leaving Sonic behind.]

Sonic: *[To himself]* "Protect the Green"? *[Gasps]* The Scavengers!

[He runs and confronts her.]

Sonic: Sorry, Thorny, I don't want to hurt you, but I won't let you hurt anyone else.

Thorn Rose: Ha! Then *you* don't have a choice.

[Birdie tries to attack Sonic with his wings, but he dodges. Thorn Rose slams her shard-powered hammer down to the ground to hit him. Sonic is blown back and trapped inside a thin cage of stalks. He gets up and looks at his surroundings.]

Thorn Rose: *[To Sonic]* Get in my way again, and I won't be so forgiving.

[Sonic strains while he is trapped in the stalk cage. He tries to pull the stalks off, to no effect. Thorn Rose and her Birdie depart.]

Sonic: Thorn! Wait! *[Sonic strains as he tries to push the stalks, only for his head to pop through and get stuck in between two of them.]* Tho-o-o-orn! *[He sighs in exhaustion while his face remains stuck; to himself]* Okay. Maybe it's not so bad. The Scavengers have dealt with her before. They'll be fine! It's not like they're just sitting around eating bark.

[Scene Change: The Canopy]

[The Scavengers are eating bark while they wait.]

Hangry Cat: *[Stuffed mouth]* Mmm. It's good bark.

[Scene Change: Boscage Maze]

Sonic: I gotta get outta here!

[He looks up, hearing chirping from a few small flickies and no roof on the end of that wall.]

Sonic: There's no roof! Of course! Wow, I really should have thought of that sooner.

[He sticks out his claws from his gloves and starts climbing the stalks. He stops as he sees Flicking flapping slowly past him.]

Sonic: *[To the flickies]* Hey, how's it going?

[Grunting, he continues climbing, making his way to the top. He spin jumps and does a star pose in celebration.]

Sonic: I'm free! Gotta go fast!

[He runs down the stalks and spin-dashes freely. Meanwhile, Birdie runs and jumps from tree to tree, before running afoot again. Soon, Sonic appears and runs alongside her.]

Thorn Rose: *[To Sonic]* You again.

Sonic: Yep, me again.

[She tries to hammer Sonic, but he dodges.]

Sonic: Look, I don't want to hurt you! But I'm taking that hammer!

Thorn Rose: The only thing you're going to take is a beating!

[She hammers the ground, scoring a direct hit on Sonic and generating a tree out of a green aura. Sonic rubs his head in pain.]

Sonic: Whoa.

[He recovers instantly and goes after Thorn Rose's hammer. Sonic sees the green shard in his sight. With Thorn Rose unaware, he grabs hold of her hammer.]

Sonic: Haha!

[Thorn Rose groans. Sonic is seen hanging on to the hammer that Thorn Rose is currently holding.]

Sonic: Wow, that's some grip you have. Have you...

[He screams while she spins her hammer around trying to shake him off.]

Sonic: I could do this all... day!

[With a loud grunt, Thorn Rose throws Sonic off with her hammer.]

Sonic: Whoaa!

[Sonic grabs hold of a tree branch, swings around, and propels himself back towards the green shard. He misses the catch and lands head-first onto the ground. Sonic gets up, with Birdie shrieking behind him, and grabs hold of a vine, swinging his way towards Birdie's back, and tries to snatch Thorn Rose's hammer. She forces Sonic off the bird, but he hangs on, jumping on top of the hammer. He does a backflip and balances on the hammer's head on one leg, taunting her. Thorn Rose hammers the ground, trying to shake him off.]

Sonic: Whaa! Hey!

[Thorn Rose swings the hammer around; this time it hits a tree, causing a root to grow horizontally, forcing Sonic well away from her.]

Sonic: *[Running his way back towards her]* It'll take more than getting a few splinters to stop me.

[Birdie jumps and then hops from log to log, while Sonic runs along the grass. Sonic is suddenly under attack dodging thorns from all sides while he runs.]

Sonic: Hey!

[Sonic runs closer to Thorn Rose, while she hammers the ground on both sides repeatedly to try to slow Sonic down.]

[Scene Change: Canopy]

[The Scavengers are busy eating bark when they suddenly hear rumbling noises coming from a distance.]

Prim Rouge: Huh?

[She sees a chain of growing tree roots getting closer to her and the other scavengers.]

Gnarly Knuckles: See? I told you. It's the trees coming to get us.

[Scene Change: Boscage Maze]

[Sonic jumps from tree to tree while Thorn Rose continues hammering the ground. Sonic then runs up to the top of a diagonal root and leaps onto the vine, swinging and jumping onto a branch, which he uses as a pole to swing and leap across. He grinds along the next root, crouching to dodge a stray root, and spin dashes towards his target. Thorn Rose changes her tactic by dragging the shard on her hammer along the ground, repeatedly growing roots at various angles. Sonic tries desperately to catch up, but gets hit by several obstacles.]

Sonic: No, no, no, no, no, no!

[Unfortunately for him, it's too late, as he gets blocked by a wall of trees and Thorn Rose escapes. He is then launched by a growing root up into the sky and screams in mid-air.]

Sonic: Whoa! Whoa!

[Scene Change: Canopy]

[Sonic groans as he crash lands onto the canopy. He catches his breath, but is noticed by the scavengers as they threaten him with their weapons.]

Prim Rouge: Well, look what the cat dragged in.

Hangry Cat: I did not.

Sonic: It's an expression.

[He gasps, flinches and steps back as the weapons point closer to him.]

Gnarly Knuckles: What are you doing here? The last time we saw you, you were *[Points his weapon]* with the monster, *[points his weapon closer]* betraying us.

Sonic: You got it backwards, bud. I didn't betray you. I went to get the Shard, the thing *[Pushes their weapon]* you were supposed to help me get?

Hangry Cat: So... you're not after our bark?

Sonic: *[Angrily]* No one wants your bark!

Prim Rouge: What's your point?

Sonic: My point is, she's on her way *[Points down to the Boscage Maze]* here! Whatever your beef is, you gotta squash it, pronto!

Hangry Cat: What's all this about beef?

Sonic: What I'm saying is, you need to find some common ground!

Gnarly Knuckles: "Common ground"?! *We live in the trees!* *[Chuckles and nudges Hangry Cat]* This guy's paranoid.

Sonic: Are you kidding me?

Prim Rouge: You don't understand. There is no common ground. Not anymore.

[A Flashback shows the Birdie swooping down to the maze and joining Thorn Rose.]

Prim Rouge: We used to be... friends.

[The scavengers pick fruit to put in their baskets.]

Prim Rouge: Now I can barely remember a time when we all got along. Sharing the spoils of the jungle. Taking only what we needed to survive.

[Thorn Rose screams in anguish, with a pink video effect around her. Birdie, and the scavengers gasp in horror. While screaming, Thorn Rose attacks Gnarly Knuckles with her hammer, followed by Mangey Tails...]

Prim Rouge: Then, one day...

[...Prim Rouge, and finally Hangry Cat.]

Hangry Cat: Ahhh!

[The scared scavengers climb their way up to the canopy.]

Prim Rouge: ...she chose the jungle over us, chasing us up into the canopy, where we've been ever since.

[The Flashback ends]

Prim Rouge: You can't find common ground with a monster.

[Sonic tries to hold back his tears.]

Sonic: I can't believe that. Amy has to be in there. Somewhere. *[To the Scavengers.]* Listen. You have to make peace with Thorn.

[The team feel guilty and ashamed about themselves. Mangey Tails chitters his way to Sonic, but Prim Rouge restrains him.]

Prim Rouge: No. We're done with her.

Sonic: Look, we talk to her as friends and we try to get her to listen to reason. Right?-- Yeah? Are you with me? *[--A rumbling can be felt from below, causing everybody to huddle together and brace themselves. More roots grow all around the canopy, scaring the Scavengers and Sonic.]*

Mangey Tails: Uh...

[He chitters and leaves.]

Sonic: Uh, you should have listened to me!

[He runs as a root grows behind him, saving Mangey Tails from crashing into another growing root. Hangry Cat whimpers and stands there, only for Sonic to save him from another root attack. Gnarly Knuckles and Prim Rouge stand next to each other...]

Sonic: Let's go, you two!

[...but Sonic saves them from another root attack and brings them back in the huddle.]

Gnarly Knuckles: Do we have a choice?

[More growing roots destroy parts of the canopy behind them.]

Prim Rouge: Nope.

Sonic: Finally! Okay, here's the plan. We go in gently--

[--The Scavengers battle cry and dive down, to Sonic's dismay.] [Sonic groans] [Sonic is helpless as he watches down while the Scavengers war-cry.]

Prim Rouge: [Off-screen] Attack!

[The scavengers are tossed up and crash land back to the canopy via a growing root. Sonic runs back to them.]

Sonic: Maybe follow *my* lead this time?

Gnarly Knuckles: [Raises his arm while downed] I vote yes.

Scavengers: Yes.

Sonic: All right! Follow me!

[Sonic leads the Scavengers safely down to the bottom of the maze. The Scavengers explore tentatively.]

Prim Rouge: It's dark.

Hangry Cat: Too dark.

Gnarly Knuckles: Or... she's making us think it's too dark!

Sonic: Yeah, no, it's definitely dark.

[The Regulators on Sonic's shoes glow as Thorn approaches the Scavengers while riding Birdie's back.]

Thorn Rose: Well, well, well... look what the hedgehog dragged in. [Holds out her hammer to the group]

Sonic: [To his Scavengers, gently] Okay, be cool. Act natural. [Mangey Tails starts to lose patience and is ready to pounce] Hey, Thorn. [Chuckles nervously] We just want to have a friendly chit-chat. Remember those? [Imitating Prim Rouge] Hi, Thorn, I love the bird you're riding. [Imitating Thorn Rose] Thanks, Prim, Birdie is one of a kind. [Thorn Rose squeezes her eyes in fury, losing patience] That's an excellent treetop village you built. [Imitating Prim Rouge] Thanks, it does the job. [Cut to Prim Rouge embarrassingly rolling her eyes] Why are we arguing again? [Imitating Thorn Rose] I have no idea. Hugs? [Imitating Prim Rouge] Huggsies! [Gently clenches his hands together, imitating a hug. He speaks normally again.] We start there,-- [Birdie moves closer to Sonic] then move on to a constructive conversational volley about our issues, minus the... [impersonating an angry scenario, clenching his fists] Oh, I'll get you! [grunts; Normally to Thorn Rose] Okay, look, despite the last several... oh, I don't know how long... we're all really good friends here. Yeah? Right? [Thorn Rose still shows an unconvinced look.] So let's talk this through, come to a peaceful agreement, and who knows? Maybe by the end of it, [Chuckles] we'll all be laughing.

[Thorn Rose jumps off Birdie and threatens Sonic.]

Thorn Rose: What is there to talk about?

Sonic: See? We're *talking*! Now, Amy would probably say we should talk about our feelings.

Thorn Rose: Our "feelings"?

Prim Rouge: "Feelings..."

Hangry Cat: "Feelings..."

Mangey Tails: [Bubbly eyed] "Fee-rings." (Feelings)

Gnarly Knuckles: Feelings? Like a trap to me...

Sonic: [Facepalm] Ugh. Okay look, I'll go first. I feel like, um...

Prim Rouge: Like you don't know what you're doing?

Sonic: [Annoyed to Prim Rouge] I'm trying! I feel like this would be easier if you didn't interrupt me all the time! [To himself] And I feel like this is harder than it looks, even though Amy makes it look so easy. [To Thorn Rose] Now you go.

Thorn Rose: Me?

Sonic: Sure. Go ahead. Remember, there's no wrong way to feel. [Thorn Rose looks at herself in misery; to the Scavengers, quickly]

Gnarly Knuckles: She's distracted! Now!

[The Scavengers blitz past Sonic and start attacking Thorn Rose]

Sonic: Hey! You voted to follow my lead! Remember?

Thorn Rose: I feel... angry! Yahh! [She hammers the ground, growing roots and taking the scavengers up with them, dropping their weapons. Thorn Rose hammers the tree, growing two horizontal roots, which Sonic dodges. They fight close up. After a slow-motion moment, Thorn Rose hits Sonic with the hammer, knocking him down to the ground. They stop fighting.]

Sonic: Okay, I get it, you're angry. But what happened to the not-fighting part?

Thorn Rose: They've proven they can't be trusted. And now at last, it ends!

[She yells and unleashes another hammer attack, which Sonic dodges, allowing a root to grow and block the sunlight from the sky. Birdie walks closer to Thorn Rose while Sonic pants in exhaustion.]

Sonic: What did you do?

Thorn Rose: I... I did what I had to. This should keep the Scavengers above the canopy. Where they belong!

[She turns her back on Sonic.]

Sonic: Thorn, You destroyed their home. They'll starve!

[She hops onto Birdie's back.]

Thorn Rose: If that's what it takes to save the jungle... [She sighs] ...so be it.

[Birdie walks away but Sonic restrains them.]

Sonic: No, no, no! Ugh, why are none of you getting this? You need to figure out a way to live, all of you, together!

Thorn Rose: What do you know about togetherness?

[Sonic suddenly looks at himself and thinks. A Flashback of an earlier part of the episode plays.]

Flashback Amy: Okay, open them. Ta-da!

Flashback Sonic: But I already have a palm tree.

Flashback Amy: The gift isn't just the tree. It's all the memories we've made around that tree.

[The flashback ends]

Sonic: It's the tree that binds us all together. Thorn, everything is connected... you, me, the Green, even the Scavengers. *[The Scavengers watch on]* We're all a part of something bigger than ourselves.

Thorn Rose: *[Scoffs]* What a bunch of sentimental garbage!

Sonic: But you told me that.

Thorn Rose: No matter. With the Heart of the Jungle, I have the power to make sure the Green never gets hurt again.

Sonic: "Hurt"?

Thorn Rose: I'm done with you.

Sonic: You're done with me? Fine! I'm going to talk to the Great Green!

[Sonic runs towards the Great Green.]

Thorn Rose: You stay away from the Great Green!

[Birdie starts running with Thorn Rose.]

Thorn Rose: *[To Birdie]* Faster, Birdie! Give it all you've got.

[Birdie flies up, but his wing hits a branch, causing him to shriek and drop.]

Thorn Rose: Oh, Birdie! I'm sorry! But you have to keep going. He's probably at the Great Green by now!

[Birdie snarls as he continues running.]

[Scene Change: Great Green]

[Sonic stops beside the palm tree and looks up at it.]

Sonic: *[Quietly]* Ugh, not getting much light are you? Man, it's gotten so dark, even Thorn has lost her way. But don't worry, I've got a plan. You're in it. I know, just trust me.

[He pats the tree trunk. Suddenly, his left ear perks back and he turns around, seeing Thorn Rose and Birdie arrive. They confront Sonic, Thorn Rose preparing for combat.]

Thorn Rose: Get... away... from my... tree!

[Sonic helter-skelters his way up and perches himself to the top of the tree.]

Sonic: Make me!

Thorn Rose: Birdie!

[Birdie flies up towards Sonic.]

Sonic: *[Shocked]* Whoa?! That thing can fly?!

[He shrieks and charges at Sonic with his weight, but Sonic jumps out of the way, causing him to hit the tree. Sonic spin jumps through the leafage, causing Birdie to hit his head on it and fall down. Sonic jumps back down to the top of a tree.]

Sonic: Face it, Thorny! You know I'm right!

Thorn Rose: How dare you disrespect the Great Green!

Sonic: There it is. Don't worry, tree, I got this. *[Taunts]* Here I am, Thorny! Take your best shot.

[Thorn Rose battle cries and swings her hammer. The shaft extends all the way up towards Sonic, prompting him to slide down.]

Sonic: I think. We'll see.

[While the shaft extends, Sonic helter-skelters down the tree to around halfway, spin jumps and breaks the shaft, sending her hammer flying towards the leafage and opening a hole, letting sunlight through. Thorn Rose flinches and braces herself from the falling debris and dust. She then sees the state of the Great Green.]

Thorn Rose: *[Upset]* What have I done? *[Catches one of the leaves]* How did this happen? *[Falls to her knees]* All I ever wanted was to protect the green... and now I've ruined it.

[Birdie consoles her, along with the Scavengers, and Sonic. A flashback plays.]

Thorn Rose: We used to be... friends. *[Thorn Rose notices Prim Rouge pulling off a branch full of fruit.]* There used to be balance. *[tree breaking]* But after a while, *[Hangry Cat shakes the tree, dropping fruit, with one of them rolling in front of Thorn Rose's feet.]* all I saw was the constant taking, taking. *[Gnarly Knuckles punches the tree, prompting Thorn Rose to stop him.]* Finally realizing that they were depleting our resources. *[Hangry Cat pushes the bushes out of the way, scaring the birds away, before being confronted by Thorn Rose.]* They take but never give back. *[Gnarly Knuckles pulls off and lifts the tree up, tossing it to the ground.]* Never giving it rest. *[Mangey Tails digs the ground.]* Never giving it respect. They were killing the jungle. I couldn't take it any longer. I snapped and became a monster. *[Thorn Rose battle cries and attacks the Scavengers.]* I couldn't sit back and let it happen. *[The Scavengers make their way up to the canopy.]* But I could never get back to who I used to be. *[She starts sobbing, both in the flashback and in present time. Birdie rubs her head gently.]*

Prim Rouge: I... I didn't see it like that.

Gnarly Knuckles: I'm sorry, Thorn. I didn't know. I...

[Mangey Tails whimpers and goes Bubbly-eyed. Suddenly, the trees and the plants start to grow, prompting Birdie to look at the tree in excitement, only to console Thorn Rose again. Sonic's flashback plays again]

Flashback Amy: Ta-da!

Sonic: *[To Birdie]* Go. Up there. Stretch your wings.

[He chirps at Thorn Rose and lowers his beak.]

Thorn Rose: *[To Birdie]* Go ahead.

[Birdie flies up and out of the Great Green roaming freely around the jungle.]

Sonic: [To Mangey Tails] You, too. You just gotta spin your little tails.

[Mangey Tails chitters and tries to spin his tails, and succeeds. He laughs and flies up next to Birdie. Thorn Rose chuckles while still sad.]

Thorn Rose: It got so dark, I lost myself. It was selfish to keep Birdie from flying while trying to shut... [to the rest of the Scavengers] you all out.

[Sonic, who can be seen in the background, smiles as he hears her say that. He walks over to her.]

Sonic: [To Thorn Rose] You were right to defend the jungle, but the thing is, this jungle *is* unnatural. The Shard, it knocked everything out of balance, including your friendships.

Thorn Rose: How do we start over?

Sonic: Well, my friend Amy would say, "Talk to each other." But she's a little corny.

[They both stand up.]

Thorn Rose: I don't know. She sounds pretty great.

Sonic: Yeah. You are.

[Sonic winks at her. Mangey Tails flies down to join his group. Prim Rouge and Thorn Rose confront each other, with the latter feeling guilty.]

Prim Rouge: We have to acknowledge our part in this if we're ever going to live in harmony.

Thorn Rose: Me, too. [They give their hands out ready to hug, but Froggy croaks, interrupting them. The two girls watch Froggy croaking and jumping towards Hangry Cat, whom picks him up.]

Hangry Cat: [Tearfully] I'm not crying, you're crying.

[He sobs. Sonic - pleased by what he's seen - takes an air camera photo of them respecting each other. It leads to a flashback of his real friends enjoying company with each other, making him smile. When it ends, he suddenly remembers something.]

Sonic: Oh, snap! The Shard!

[He looks up to the hole at the top of the jungle, then his two shoes.]

Sonic: These two'll find it. [To the Scavengers] Sorry, friends, gotta go! Gotta go fast!

[He prepares on his mark, and then super-peels out up to the top of the tree outside the maze. He looks across the sky. Birdie screeches and swoops down to meet Sonic.]

Sonic: Little Birdie told me where the Shard is! [Punches the air] Yes!

[He waves at the bird, before dropping back down inside the jungle, preparing another run-up.]

Sonic: Speeding dogs don't lie!

[The run turns into a Super-peel-out generating a white aura. A hologram of Shadow appears in the aura's reflection.]

Shadow: Sonic! I'm lost in the void!

Sonic: Shadow?!

Shadow: You have to keep moving!

Sonic: Ho-how could...?

[Sonic trips over a vine and dives towards Thorn Rose's hammer where the shard is. In slow-motion, Sonic gets very close to the shard, but it explodes in front of his face...]

[Scene Change: The Void]

[...sending him flying into the Void.]

Sonic: Whoa! Ahhh!

[Scene Change: New Yoke City]

Sonic: Ahhh! Ahhh! Whaa!

[Just as Sonic thinks he is about to fall, half of the vines he brought with him back to New Yoke City from Boscage Maze prevent him from falling. He looks around in confusion, realizing that he has arrived back in the city.]

Sonic: [Groans] I'm back in New Yoke City? How did I end up back...?

[Sonic hears Renegade Knucks screaming. He looks ahead and sees that he is taking down most of the Eggforcers with the Resistance.]

Renegade Knucks: For a better tomorrow! [He swings the metal pipe, taking out two Eggforcers.] Who's with me?!

Sonic: [To himself] Oh, no...

[The screen cuts to black and displays the episode's name. The credits appear.]
